

**VISIT SUNNY SPAIN:** The Country of Romance which offers attractions of many kinds. A journey through Spain takes one through towering mountains into to this Arcadian existence, cities abound, impressive with churches, gracious with ruins and relics of days gone by. For the artist, there are not only pictures painted by great craftsmen but also those limned on the canvas of the sky.

On the purely material side, Spain offers comfort unexcelled by any country in the world. Though intensely conservative, even primitive, in parts, the most modern conveniences are available. Together with this, there is a geniality of welcome extended by the Spanish which enhances the more solid attractions of the land.

In these days of economic depression, money is a prime consideration. Spain is essentially an inexpensive country. Even the most luxurious hotels are considerably cheaper than those of equal rank in many other lands, while hotels of the second class are moderate and offer every possible comfort to the patron.
