~~His character was a strange mixture of ingenuity~~

Preface to Wyatt's Poems.

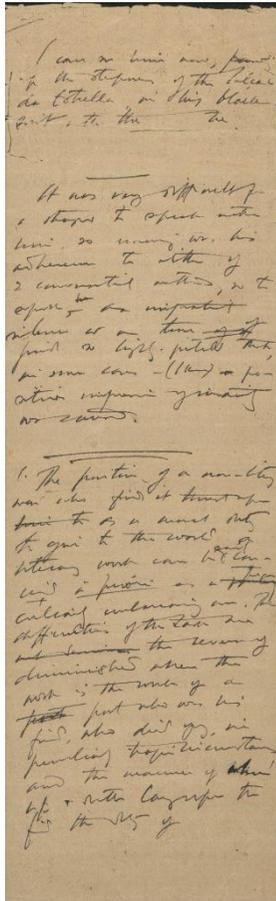

He preferred the pseudonym because (he used to say) there was already a Wyatt at the beginning of English poetry.

~~He had~~ One of the many strange contrasts between his private and his literary character was in that he was as original and {...} in his literary manner and matter (and especially in the [matter]) as he was propense to imitation in his every day life and private life. [He was the kind of man who writes on the kind of paper used] {...} The more deeply original his style became ~~become~~, the more he consciously modelled his {...}, his manner of dressing, his habits... on Goethe, on Shelley, on {...} on innumerable literary people, not all great {...}

It was very difficult for a
stranger to speak with him, so
unnerving was his adherence to
either of 2 conversational methods,
so to speak, — an impatient
silence or a tone ~~of so~~ of period
so highly-pitched that, in some
cases — (I know) — positive
impression of insanity was caused.

1. The position of a non-
