

Essay on Detective Literature.

I have yet a few words to say on the last of these three stories. "The Purloined Letter", as it is called, would have been perfect had Poe grasped correctly the principle on which he formed it. ~~His contention is this~~ This principle is ~~this~~ nothing but that, to the generality, the least obvious thing is that which is rationally the most obvious. Poe makes a French minister - a clever man and a shy one - hide an important document from the police by {...}
