The Within /About\ the sphere of the normal,
~~exam~~ explanation is very simple: the novel is
subjective or objective in proportion as it ~~considers~~ ^{is rooted} treats
of character or ~~of~~ adventure. The kind of novel called of local
colour, where a thin plot is used to connect
descriptions must ~~inevitably~~ ^{must} be placed in
another class ~~in~~ that of knowledge - for
it is but a series of sketches and the plot is but
a way of describing, that is, it must cease to
become a novel. ~~or~~
