Epitaphs.

A.S. (Alex Search)

Here lies a poet who was mad and young
The two things may go together
As to the songs he sang
They were fool in winter weather.

Epitaph for the Future
~~Monarch~~ Religion (Thesis)

Here lies a part of hell that on hearth was
(It took it too long to pass,
Riddled by way of Justices' dart)

Republic (?) Antithesis

Here lies the other part.

Religion

Here lies the beautiful assassin cold
Who smiled upon his victim and did gong
Wondering sweet songs to his imagining
Till by his cast and {...} he rolled
It died because it was old.
