But now our times are so {...}

And churches are at daggers drawn

And worthy men

Speak nonsense in the name of God

And say, {...} self

"No one is saved except myself."

"Our Church alone is good and well

All other sects will go to Hell.

But in one thing they all accord

 Around their tricks and nonsense indeed

Hell, for the glory of the Lord -

Damnation in the name of Christ.

Some bishop too who sips his tea

Wonders how can the world ill be...

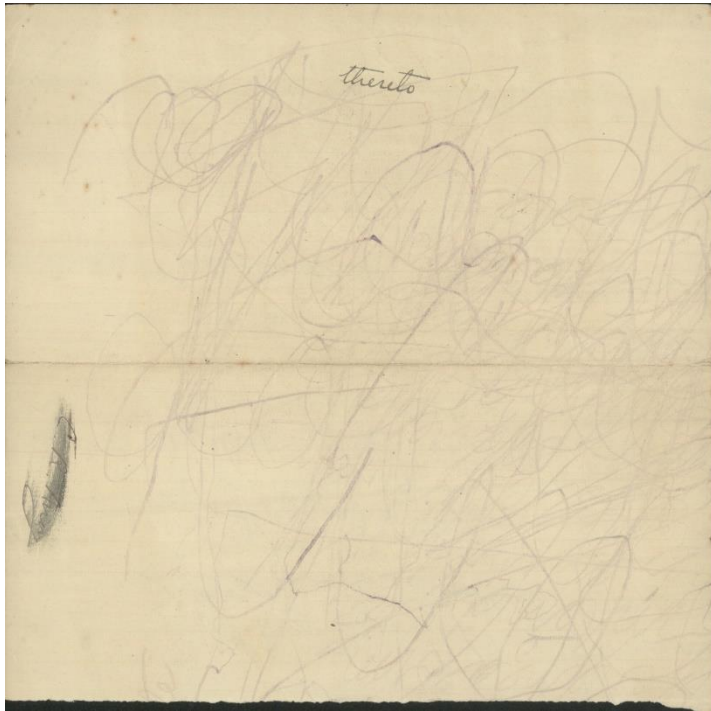

And asks is hungry man or sinner

In the fifth course of his dinner.
