Having reached the highest point of thought  
The momentum of king's top

Or stop, but man can never stop.

Transcrição

~~After this, in the tercets, you will say  
That no one knows what great death is a mystery that nought will  
say,  
That perhaps somewhat is true.~~

~~Then you will sing you have and put the date  
And, having read again the sonnet, you  
Will be content at ease, seeing it is well writ.~~
