O noble voice now chocked from eloquence
By the vile dust ^{/dirt\} of earth and rottenness;
O ~~Thou~~ dispossessed now of thy true pretence
To greatness, whether it might curse or bless.

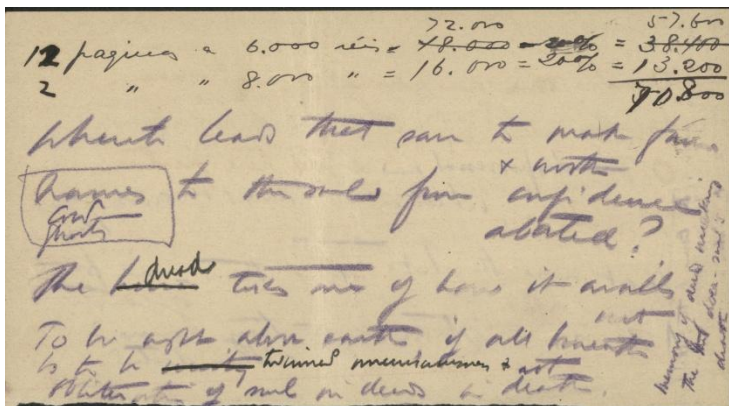

That were thy lot. But this - six feet of earth
A cross, a stone with thy name's coldness dated
This and no more. To come to this we ^{/To live not we do\} live,
And that † ^{/that's not\} as ~~that~~ wherein we do survive. ^{/survive not as that where we}
survive.\

Where to lead that can to make forms and worth
Names /Cold ghosts\ to the soul from confidence abated?

The + dread takes one of how it avails not
To be aught above earth if all beneath
Is to be unity twinned unconsciousness and rot
Obliteration of soul in dreads in death.

Memory of dread unseeking
The ~~the~~ doer-soul's death.
