Quem dera tornar a ter
O mal /bem\ e o bem /mal\ de sonhar

_____

While you grew up away
I grew alone, friendless at my beauty's one
And yet less friendless them unfriendly,
Already, though I knew it not, some guessed,
Insanity's confusion and unrest
Begun upon my mind stealthily to prey
Making its /a\ |commotion| unobserved way.
~~The~~ You grew at social, full of {…} and ease
I, ~~seeing~~ timid before shows and ~~crowds~~ meetings and these
Differences parted ~~us~~ ~~radically~~ us as seen from sea
Some new-born continent yet that ~~away~~ long naturally
~~Long~~ Long was inevitably {…} to come to be.

The dying bliss thing (the †) men got
Is that like all things have an end
