Like music over the waters
In a moonlight-gleam /moonlight\ /night\
To me who lie listeneth alone
|~~My {...} presence alters~~
~~The {...} delight~~|
When That deeply, weirdly alters
Into a restless, vain delight
Killing it not, the heart's life-moan;

Like the feeling of the sonar
Of a dying longing in us
To a newer living †

Over

Such {...}

For though she be {...} and tender
Yet I fell that even there
My ~~troubled~~ troubled soul shall not find
rest
